

GSoC Orgs

- [Ardupilot](#)
- [CGAL](#)(heavily interests me)
- [AerospaceResearch.net](#)(Though they have an unusual appearance pattern)
- [Internet Systems Consortium](#)(seems pretty good and useful to me)
- [Kodi](#)(OK OK org, as a last resort maybe)
- [macports](#)(seems good yet challenging)
- [MBDyn](#)(OK OK org)
- [moodle](#)(seems good)
- [ns-3](#)(seems quite relevant to my work)
- [VideoLAN](#)(maybe maybe maybe)
- [JavaPathFinderTeam](#)(quite good as its java and im working on java right now)

Link for the [list](#) of organizations (made by BITS Pilani) with their selection patterns every year for GSoC.
